J. GOUCHER. HOMEOPATHY

J. GOUCHER, M. D.

The Doctor studied the Old School system with Prof. Valentine Mott. M. D., of New York city. and graduated in the Medical University of New York, No. 669 Broadway, and also graduated in the Eye and Ear Infirmary of that city. He has also been a Hospital Student of Prof. N. R. Smith, or Baltimere.

The Doctor practiced the Old School system for twenty years. He then studied Homsopathy and graduated in that school, which he practices exclusively. The Doctor has had considerable Hospital experience, and thirty-five years practice in the profession of Medicine.

He is located at Ravenna, Portage county, O., on the Cleaveland & Pittsburgh R. R., eighteen miles north of Alliance; it is at this point where the Great Western crosses the Cleveland read.

The Doctor has his office at his residence, corner of Sycamore and Cedar streets.

OFFICE HOURS-From 8 a. m., to 3 p. m. Ravenna, Jan. 16, 1874.

Pants one and made from \$1.55 to \$600 Coats All work well done and complete fits guar-

Cleaning and Repairing. Falso clean and repair clothes as well and heaply as they can be done in Cloveland, as I see the same process.

NEW TAILORING

Would inform the people of Ravenna and vicin ity, that he has opened a shop in the Allea Block, two doors cast of B. Little's Greery Store, on Main Street, and is prepared to do all work entrusted to him, in a workmanlike manner, and at reduced prices. From many years experience in the business, he feels confident of his ability to give entire satisfaction.

Particular attention paid to Cutting Garmens to be made by women.

Ravenna, Oct. 5 1969, 58-tf.

cy, more than they are ever likely to be given to the new or re-invention, "Dear me?" says the lady, on notice want—and then to go home. But as it will be hard to say where its usefula rule they find it difficult to stop ness will end. At present it is en, enough te hoist the umbrella?" when they are busy in the pursuit of conraging to know that the days of wealth, and when every thing is going broken china and broken windows are on prespereusly. So they stay on near their end .- Cin. Gazette.

wretchedly drained, and the fresh age, feelings and experience, always breezes from the sea blow over the beach. So life in the capital is marked by a certain degree of recklessness

which unhappily debase the character matter how well deserved, lest it of the sons and daughters of Adam. should make them conceited and vain. tattling well nigh holds the pre-emi- On the other hand, however, they feel nence. It is the meanest, the most de- it their bounden duty, upon every octestible of all habits, and when once casion, to censure the smallest misdecontracted clings, as it were, with the meanor. This is a course that will tenacity of a demon. In view of its often make children deceitful, or will, depravity, and the many and fearful at least, destroy all that confidence vices following in its train, the Lord which should be a mother's greatest

The rabid dog, let loose in a community to bite whatever man or beast he meets, is not as dangerous as the tattler. The dog kills only the individuals bitten, while the tattler's venom poisons madly and fatally, the whole community. He goes to a neighbor's, and listening attentively. bears, perhaps, something that may be used to the disparagement, possibly the ruin of another, which he drinks down with the avidity with which the thirsty toper does the fiery fluid, and then goes forth with venomous tengue

all that is lovely and of good report, dently an immense bee home, where worn out of the teeth next to the midfurthered by the tattler, who may be the bees have been at work from a dle fronts of the upper jaw; and in the cempared to the viper in the fable, time to which the memory of man eleventh year the kernel vanished our tea-party. Wish I could see the friend in beyhood, of superior talents, factor, turned and stung him to the the season is over he intends to have all the front teeth in the lower jaw be-
